### Special Ribbon Recognition

Bring more exhibits and receive a special ribbon recognition! Each year the challenge of the competitive exhibits departments is to:

1. Include new people to exhibit
2. Increase or maintain the number of exhibits
3. Value exhibitors who bring a large number of exhibits

Again this year, a large colorful Special Ribbon will be awarded in different departments and divisions to individuals exhibiting the most exhibits (6 or more in any one division) in the given department. For example, the most poultry entries, the most canning entries, the most flower entries, etc.

### How do I know if I've won?

Find out how your entries did by visiting your exhibit at the fair. We also post the winners list on the website the week after the fair.

## DEPARTMENT 19: FLORICULTURE

Judging: Agriculture Building  
 Divisions A–F: Tuesday, 6:30 p.m.  
 Divisions G–M: Wednesday, 7:00 a.m.

- **Attention Exhibitors: Please review all general guidelines for Departments 17–27 on page 35.**
- Extra greens or fillers should not be used except in arrangements.
- PLEASE NOTE: You need to have the exact number of plants, stems, blooms or designated item in each class to exhibit. Check behind the class name or on top by the division name to see how many you need.
- Exhibits should be in a clean, **clear (if possible)**, sturdy, suitable container no larger than 3" in diameter. If container is over 3" in diameter, it will not fit in the display cases. If you have a top-heavy exhibit, feel free to add weight to the bottom of the vase, e.g., colored glass beads or stones.
- **🚫 No colored containers please.** We make every effort to make sure your exhibit is looking good, and clear bottles/containers enable us to monitor the water level.
- **🚫 No plastic bottles please.** Plastic bottles/containers tend to tip easily.
- Good size of bloom and uniformity of the variety in size is one of the points judges consider. In addition, good color and substance, form of bloom, good clean foliage and a strong stem with leaves left on are essential.
- Helpful hint: leave the stem as long as possible to reach the water in your vase for the duration of the fair.
- **Please, no foliage below water line.**
- **Harden flowers:** cut in morning or evening, cut at an angle using sharp knife and place in warm water for 2 hours or overnight—flowers will last longer.
- Please note: Specify on exhibit label as to suggested watering during the fair.

No animal or article shall compete for more than one award except when the animal is used as part of a herd or group division. Livestock judges shall give reasons for their placing at the completion of the judging of each division. Other judges may be asked to give reasons for their decisions. Pedigrees (or proof of eligibility to record by registry certificates of sire and dam) of horses and cattle in the registered divisions shall be shown to the Superintendent to entitle animals to premiums. This rule will be strictly observed. Superintendents of all departments have the right to accept or reject any exhibit.

No persons will be permitted to distribute advertising matter on the grounds except from their place of business or exhibit. The tacking or posting of any advertisement or distribution of bills, cards, fliers, etc. except within the space occupied by the exhibitors is prohibited. Anyone violating this rule will be subject to fine and expulsion from the grounds as the Board of Directors may elect.

### Exhibition of Livestock in Minnesota (2022)

Always check with exhibition management to make sure they have not imposed any restrictions or additional requirements. For Minnesota State Fair exhibition requirements, call ☎ 651-288-4417 or visit [www.mnstatefair.org](http://www.mnstatefair.org).

### Animal Health

All animals will be inspected by the official veterinarian the opening day of the Fair and throughout fair week. The official veterinarian will order the immediate removal to a quarantine facility or removal from the exhibition premises of any animal showing clinical signs of any infectious, contagious or communicable disease, including ringworm and warts. Any animal showing evidence of any disease, abscesses, or any open contagious lesions will not be allowed to exhibit or show and will be subject to isolation or expulsion depending on the nature and seriousness of the disease, abscess or lesion in question. If illness of any nature is suspected in any animal, said animal is subject to examination by the Official Veterinarian and Fair Superintendent and owner or exhibitor of said animal must abide by the decision of this Veterinarian and the designated Fair Superintendent. Animals with warts or ringworm may not be shown. A statement from a veterinarian that an animal is being treated for these diseases is not acceptable. Animals known by the exhibitor to have an infectious, communicable disease or to have been exposed to an infectious, communicable disease, or to be from a quarantined flock may not be entered in an exhibition.
