This document is also available at [www.carvercountyfair.com](http://www.carvercountyfair.com)

The following is a list of rules and regulations set forth by the Carver County Fair Demolition Derby. Drivers and all pit persons are expected to read, understand, and comply with all rules. These rules are non-negotiable. Failure to abide by these rules will result in disqualification and loss of all entry fees. Reading between the lines will only get you sent home - if it doesn't say you *can* do it, *don't* do it. By signing the entry, you agree to follow the rules.

## **REGISTRATION, INSPECTION & JUDGING:**

Entry fee for pre-registrations is \$25. Your entry and payment must be received/or postmarked by July 31, 2026 in order to qualify as a pre-entry and will be refunded if vehicle passes inspection at event and participates in derby. Entry fee for registrations received/or postmarked after August 1, 2026 is \$50; these fees will not be refunded. Phone entries and/or entries without payment will not be accepted. Entry fee covers driver and 2 pit people. Additional pit passes may be purchased for \$15 per person, 3 total in pit crew.

1. Drivers and all pit persons will sign a waiver, which will relieve the Carver County Fair and track officials of any liability related to personal injury, which might occur.
2. Drivers must be 18 years of age and have a valid driver's license, with the exception of Youth Class Entrants.
3. For safety reasons, no one under 16 years of age is allowed in the pit area-Exception is the Youth registered in Youth class.
4. Any person in pit area can, and will, be removed from the grounds for any behavior deemed inappropriate by officials.
5. Entry fees will not be refunded. No fighting, drinking, profanity or use of drugs on grounds before, during or after the derby. The Carver County Fair is not responsible for any items lost or stolen.
6. Speed limit in pit area is not to exceed idle speed. No careless driving. Your pit area must be cleaned up and all parts and cars removed from the grounds.
7. Driver must bring the car to the arena to be inspected, no others allowed in the inspection area. Only drivers are allowed to speak to derby officials.

### **REGISTRATION, INSPECTION & JUDGING (CONTINUED):**

8. Cars must be inspected no later than 30 minutes prior to derby start or will not be allowed to run.
9. Judges decisions are FINAL; arguing will mean immediate dismissal from grounds and forfeiture of prize money or entry money.
10. We reserve the right to re-inspect a car at any time. Noncompliance will result in disqualification and loss of all winnings.
11. Any complaints about other cars will be inspected only if the complainant attends.

### **RULES FOR ALL DIVISIONS EXCEPT MWFA - PURE STOCK:**

1. All drivers must be 18 years of age or older with a valid driver's license, safety helmet and eye protection. The only exception to this is the Youth class. Drivers under 18 years of age must have written permission from parent or legal guardian to run.
2. Cars must have safety belts.
3. Hoods must be open for inspection, radiators will be checked for antifreeze, no antifreeze allowed, must have working brakes.
4. All derby vehicles must have driver's door bar, inside or outside, 2" angle iron or bar. No bar - you don't run. Driver's door window may have mesh for protection. Driver's door may be welded top, bottom, and sides for driver's protection.
5. Trailer hitches and mounts must be removed prior to running derby.
6. All glass, plastic, rubber, chrome, moldings, lights, lenses, door handles, hubcaps, wheel weights must be removed prior to entering derby grounds.
7. One, 12-volt battery allowed, must be located in front seat area, battery must be covered to protect driver, must be mounted in box and bolted to the floor, no ratchet straps allowed.
8. Exhaust modifications are allowed (i.e. straight piped through hood).
9. Each car is restricted to approximately 5 gallons of gas per heat. Stock gas tanks must be removed prior to entering derby grounds. Gas tank to be made of steel, secured by metal straps, bolted to the floor, protected on all sides, and located in back seat area, no more than 36" wide. No ratchet straps. Any gas lines other than standard equipment must be located inside the middle of the car. Outlet to fuel pump must be through a tight connection to tank. Gas lines that run through firewall must be made of steel or high- pressure hose. Any car leaking fuel will be flagged out. Electric fuel pumps are allowed in all classes. Toggle switch must be clearly marked in orange paint and accessible.
10. Log chains, cables, ready rod (not to exceed 1") for reinforcement must not be in front of radiator. Radiators must remain in stock position with a 2" space from frame without welding, bracing or attaching to the frame. Homemade Vented Radiators allowed in Old iron only. Tin mounted only and 2" space. Spray foam allowed only around radiator in any class. Fan blades may be removed.
11. Bracing behind driver's seat to doorpost on passenger side is permitted for driver protection. **Frame behind drivers seat brace must not exceed 6" past seat.** If dash is removed, a pipe or tubing is allowed to be welded where dash was removed. In car safety cage (All Classes), may be welded or bolted to the frame behind driver's seat. Also, a rod must be welded vertically where the windshield was removed. Build the drivers compartment to protect yourself when taking hits from all sides, minimum of 3" O.D. tubing to protect yourself. Mandatory 4 point cage, minimum of 3" O.D. material. **You are allowed 2 down bars per side welded to frame between inside door seams. No 2003 and newer extruded frames.**
12. Bottom of both bumpers to be no higher than 21" above the ground on cars, no lower than 15" from bottom of bumper to ground all vehicles). Suspension must be standard factory equipment, no altering of suspension allowed, (i.e. no leafs on coil car), air shocks are allowed if factory. **Bumpers can be stuffed with factory outer skin.**
13. One 12" by 12" hole to be cut in hood and one 12" by 12" hole in trunk lid to provide access for inspection and fire extinguisher, (hole in trunk is not required if inspectors can see inside through back seat. No self-tapping screws on inside or outside of vehicle allowed.
14. #9 wire used no more than 4 loops, 4 spots per vehicle, 2 allowed to frame.
15. Transmission coolers (no roof mounts) and only tin mounting allowed in all classes.

## **RULES FOR ALL DIVISIONS EXCEPT MWFA - PURE STOCK (CONTINUED):**

16. Washers are ¼" thickness, cannot be larger than 6" x 6" where bolts are used.
17. Pre-ran frame patch may not exceed 20" of plating total on car. No exceptions. Pre-ran vehicles must have 50% of rear body fresh and intact, no frame rails exposed (not allowed in chain stock class). No painting or undercoating allowed to frame or interior compartments.
18. No altering of vehicle after final tech inspection, if caught, you forfeit entry fee and will not be able to run in derby. You have three tech times and two chances to comply with rules.
19. Driver's door must be painted a contrasting color. Each car will be assigned a number. Car number will be required to display on rooftop, (numbers and sign to have contrasting colors). Sign can be wood, metal with number on both sides. Sign must be at least 15" high by 20" long, with number at least 12" by 4".
20. No American Flag, no profanity or gestures are allowed to be displayed or hung on car.
21. Any car that is put on time by judges will have 2 minutes to start and make contact with another car still in derby or be disqualified. No hitting of dead vehicles.
22. One warning for driver's door hit. Flagger's discretion.
23. You are allowed only 1 fire per heat, if event is stopped a 2nd time to put out a fire from your car, you will be disqualified.
24. For safety reasons, the arena will be bordered with cement barriers. Any car that goes over or through the barriers causing an unsafe situation will be disqualified.
25. All drivers will remain in car until the heat is over or flag person stops the action for safety reasons. No driver's arms outside car during event. One warning only. No pit persons on track without permission from judges.
26. Frame seam welding, only 1 seam per side welded top or bottom, ½" max weld with (Inspector's decision final). Fender to inner fender is not a frame seam.
27. Your car must have your number (no letters or leading zeroes) clearly painted in a contrasting color on the doors and on a tented-style roof sign.
28. Vehicle may not have any lewd, crass, or objectionable text, graphics, or photos, etc. The directors of the derby, the Carver County Fair Board or the management reserve the right to limit anything on your car/truck that may be deemed obscene or offensive to the public. This included fictitious sponsors. If you need a ruling before the night you are scheduled to run please call the fair office.
29. No sandbagging or holding allowed, aggressive hitting during time on track. The Crow's Nest Officials will be watching for sandbaggers when they decide there is a sandbagger the Derby will be stopped the car will be marked with neon pink spray paint and the Derby will resume.
30. Halos are recommended in all classes. No transmission steel bell, no tranny protectors, no rear or front mid plates, no distributor protectors. Dash bar must be 4" away from transmission tunnel or transmission.
31. Any 16.5 or less tires also including forklift tires & bobcat tires are allowed on drive & steering. Full center rims 3/8" or less allowed. No steel bead lockers. Drive tires air filled only.
32. Tranny cross members must be stock or stock equivalent, max 2" x 2" x ¼". Except chain stock.
33. Any fresh cars will be allowed 12" per frame rail repair. Repair plate cannot be more than ¼" thick.. No wider than the frame rail, repair patch 1" past bend only, no reinforcement of extensions.
34. After winning a class reinspection is a possibility.

## **FULL SIZE LIMITED WELD RULES**

1. Any mass produced 2-wheel drive car of your choice can be accepted NO IMPERIALS, No SEDAGONS, NO HEARSE, and NO IMPERIAL SUB-FRAMES. No 70s and older Lincolns/Thunderbirds allowed. No 2003 and newer extruded frames.

## FULL SIZE LIMITED WELD RULES (CONTINUED)

2. All door and trunks must be strapped; welded, chained, cables wired (#9), PICK ONLY ONE. All doors may have no more than 5 on 5 off stitch welding with no more than 1/4" X 3" X 5" plates, except driver's door. Hood may have approximately 6" of angle iron welded on each side to hold the hood closed and must be used as one of your bolting. Bolting of hood and trunk is allowed, maximum of 6 bolts for trunk and 6 for hood, up to 1". 4 bolts 1" max area allowed to go to the frame for the hood and trunk. Trunk lid maybe tucked but rear quarter-bending allowed.
3. Engine mounts may be welded solid, chained or strapped. Motor can be strapped (no wider than 2" and 1/4" thick) in 4 spots with only 2" attached to the frame. Lower cradle with pulley protector allowed only attached to engine cradle not frame.
4. Front & rear fenders may be wrapped and bolted (max of 5 - 3/8"), no welding for reinforcement. Fender walls may be cut or bent but not reinforced. Bodylines may be pounded as long as tires are not exposed.
5. Intermarriage of motors and transmissions is allowed. NO setbacks.
6. A homemade-vented radiator is allowed in Old Iron (must be vented under vehicle), radiators must remain in stock position with a 2" space from the frame without welding, bracing or attaching to the frame.
7. Clamping of the leaf springs is allowed only 6 clamps per spring (factory ones count), 7 leafs, GM wagons are allowed 9 leafs, pre-loaded read-ends are allowed. Axel bracing is allowed to protect pumpkin. Only 5 lugs rear-end allowed.
8. Hood lid can be folded over the front but not welded or bolted to the bumper or frame. Must be able to remove hood for inspection. MAXIMUM OF 12 HOOD BOLTS UP TO 3/8" FOR HOOD SKIN ALLOWED.
9. Hole for distributor can only be 12" by 12" minimum.
10. No altering of suspension (leafs on coil or coil on leafs front or rear cars)
11. Sliders or telescopic drive shafts are allowed.
12. Steering arms may be modified by using steel knuckles. Reinforced tie rod ends are allowed.
13. Halo for roll cage maybe be welded down to frame, no gap restrictions. Halo to frame is not considered a down bar.
14. OEM car front bumper brackets only or 1/4" X 4" flat stock 15" long. Two total, one per side.
15. Body mount bolts may be replaced with up to 1" bolts. No extra body mount bolts are allowed.
16. No changing of factory size of crush box.
17. Watts rear-end 97-02 Ford may use a read cradle from an 80-90's Ford. NO ADDED METAL.
18. Two rear window bars allowed, may be 2 inches past roof and trunk seam, sheet metal only.
19. No more than 36" hump brace is allowed, no more than 3 x 3 x 1/4".
20. Any cars run in this class are not eligible for re-entry in Free For All Class.

## CHAIN STOCK RULES

1. Any mass-produced 2-wheel drive cars; no Imperials, Hurst's, Lincolns/Thunderbirds, 70 and older. NO SEDAGONS and NO 2003 FORD's. Refer to general rules.
2. You are allowed to notch frame and tuck trunk at 90 degrees, 50% to stay in original position. (no dishing). May cut holes for chains in doors and hood.
3. Doors are allowed to have two chains per door seam, except driver's door. Drivers door may be welded rather than chained and must have brace on inside or outside for driver's safety, bracing behind driver seat is allowed. Can be #9 wire, 2 loops.
4. Floor shifters, rubber mounted trannys a must. Sliders allowed.
5. Trunk and hood must be chained (NO WELDING), 4 chains each, #9 wire, 2 loops.
6. Push button and toggle switch are allowed.
7. Headers may be used with holes cut through hood.
8. Welding of rear-ends is allowed.. Motor and rear end swaps allowed, lower cradles allowed, bolted only. No watts conversions. No braced rear ends.

### **CHAIN STOCK RULES (CONTINUED):**

9. All glass, plastic, rubber, fiberglass, trim, white metal must be removed as it states in general rules.
10. No welding unless specified
11. Bumper may be mounted with two bumper brackets 4"x6"x1/4" thick, one per frame rail. Bumper must stay in factory position, core support must remain in factory position. Must have factory rubber mount and bolt size.
12. No welding of suspensions. Screw end coil spring spacers are allowed.
13. No tilting or cold bending of front frame.

### **MIDSIZE FRONT WHEEL (4 OR 6 CYLINDER ONLY) RULES:**

1. It's the driver's responsibility to adhere to this requirement and failure to do so will result in disqualification. Wheelbase is measured from center of front spindle to center of rear spindle. Check wheel base before entering derby, MUST BE FACTORY WHEEL BASE. No shortening).
2. Door, hood and trunk shall be chained, bolted, cabled, or strapped (pick only one). Driver's door may be welded top, bottom, and sides. All other doors are allowed 3 feet of weld per door.
3. Hoods may have approximately 6" of angle iron welded on each side to hold the hood closed and or (6) bolts with two bolts welded to the frame. (#9, 2 loops).
4. Any OEM bumper is allowed with stock mounts. No reinforcement. Bumper ends may be cut to size. No wrapping or bending. Bumpers may be welded to frame with no additional reinforcement.
5. Bumper height to be no higher than 21" from bottom of bumper to the ground. Choose either front or back of front suspension to weld to get bumper height - BUT NOT BOTH.
6. No intermarriage of brand motor swaps.
7. No full centered wheels, no bead lock, must be stock OEM rim.

### **MAN VAN CLASS RULES**

1. Vehicle must remain completely stock. This is meant to be a quick build class with no modification or swapping of parts.
2. No welding allowed except drivers's door and differentials. (May add seat support bar and dash bar inside vehicle post to post). Inside door bars attached only to dash and seat bar on driver's side and passenger side, optional.
3. Strip vehicle as normal. Leave shifter stock. No torching of fenders. Vehicle must be totally stock appearing. 12" fire hole in hood required. No pre-bending of body panels.
4. Can relocate electrical boxes anywhere under hood.
5. Remove gas tank and mount a steel tank in inside center of vehicle securely mounted away from any door and cover. Must be high pressure fuel line. Must be safe or won't run.
6. Two chains per vertical door seam. Four chains per hood. Rear hatch and doors have four total hold downs maximum. Two chains can be used around bumper to hold it on vehicle. No reinforcement.
7. All suspension and struts must be stock. Two leaf spring clamps total per spring. No chaining of suspension.
8. All airbags must be removed and disabled.
9. If desired front bumper may be changed to a different automotive type bumper, tubing may be used but must be covered or skinned with a steel bumper skin or factory skin off van. Must be securely done. 4"x4" max. 1/4" thick.
10. May chain motor in 2 spots.

### **YOUTH CLASS RULES**

1. Drivers must be between **12-17 years** of age and be accompanied by a parent or guardian (must be present and have ID). Parents must sign waiver for youth to run (if divorced, **BOTH** parents' signatures are needed). If one of the parents cannot be present waiver signature must be notarized.
2. This class will only have the youth in the car driving.

### **YOUTH CLASS RULES (CONTINUED):**

3. Any mass produced front wheel drive cars.
4. All glass, plastic, rubber, fiberglass, trim, white metal must be removed as it states in General Rules.

### **THINGS YOU MAY WELD:**

- a) Driver's door may be welded solid (Build to take a hit!)
  - b) Front struts may be welded with up to 6" added material per side (only).
  - c) Front and rear factory bumpers may be welded on. May run 6" X 6" tube or 6" pipe (3/16" max thickness) ends must remain open. May attached with 4" X 4" angle iron to bumper and frame (one per frame rail).
  - d) **FWD Cars only:** 4 or 6 cylinders
  - e) Motor mounts may be welded or chained down in two spots. Tranny may be chained.
  - f) **You MUST have a 4 point cage welded in your car (NO EXCEPTIONS).** You may have 4 down bars (vertical only) welded to the frame to help hold in place. Halo is optional, if you have one, it may be welded to the frame and roof of car. (This is for driver's protection).
5. Bumper choices: Factory, tube, pipe or c-channel
  6. You may run tubs and weld stem protectors. The only tires allowed are mud & Snow, radial, or bias, if questionable please call.
  7. All other doors will be chained with 2 change per seam.
  8. Hoods & trunks may use 6 chains each.
  9. Push button & toggle switches are optional
  10. Absolutely no pre-bending of body or frame. No frame repairs for this class.
  11. Absolutely no cutting of bumpers and wheel wells. **No cutting of frame.**
  12. No interchange of motors.
  13. Must have minimum of 12" hole cut in hood.
  14. This class: No protectors, mid plates, cradle sliders, if it is not part of the factory, you can't have it unless noted in youth class rules.
  15. **An adult MUST attend inspection with the youth driver!!**

### **MWFA – Pure Stock**

**General Preparation/Build Rules do not apply to this class – please use the below for build rules for this class.**

**This class is crated to have fun for the fans to watch.**

If you come with a vehicle that is built any more than what is listed below you will not run.

1. Any 1980 and newer 2 wheel drive passenger car/mini-van/mini-truck/mid-size SUV.
2. All vehicles must be stripped of all plastics, glass, headlights and anything else that could fall off onto the track during the show.
3. All vehicles must remain stock, **ABSOLUTELY NO WELDING ANYWHERE.**
4. Bumpers must remain stock, do not alter bumper in anyway. Factory bumper shocks must remain in factory location. You may remove rear bumper and shocks. There is no welding to be done on bumpers.
5. Batteries may be left in stock location and spray foam may be added around the battery. You may also move battery to passenger floor to seat. Make sure the battery is not moving.
6. If factory gas tank is on the front of axle, you may leave it there. If it is behind the axle, you must move it to the rear seat area. Factory tanks may be moved inside but completely secured. After market tanks may be used.
7. All doors may be wired or chained in 6 places, max per seam.
8. Trunks, hoods, tailgates, all may be wired or chained in 6 places total. Sheet metal to sheet metal only. Nothing to frame or bumpers. If you remove trunk or tailgate you lose that wire or chain.
9. Rear seat bar may be added. It may be welded to post. If you have to add something to get it away from the seat, please call. This is only to stop sides from coming in, not to help any other part of the vehicle.
10. Drivers door only may have a plate welded to the outside or inside. This is for driver safety.
11. DOT tires only. Stock wheels only. All wheel weights must be removed. Only tubes and air are permitted inside of tires.

**If it does not say you can do it, that means YOU CANNOT DO IT! – QUICK & EASY BUILDS!**

### FREE FOR ALL RULES

1. This class is for cars still viable at the end of their original class with the exception of those registered in Full Size Limited Weld & MWFA – Pure Stock.
2. Youth cars can be entered in this class after completion of the Youth heat however drivers must be 18 years of age or older with a valid driver's license to participate in this heat.
3. Cars will be re-inspected for safety reasons as this is a mixed class heat prior to registration. It is the driver's responsibility to find the inspectors.
4. Re-registration (\$20) must be in at the beginning of the Full Size Limited Weld heat. Vehicle must have participated in the original class registered in order to be eligible.
5. There must be a minimum of 5 cars registered for this class to run (Max heat 20).
